### ENJOY BRITISH ENTERTAINMENT

#### RAGLAN ROAD

Featuring the standard rock band lineup of bass, drums and guitar hasn't stopped Raglan Road from authentically covering the best singalong Irish tracks from the past 5decades

#### THE CLAN

One of Perth's longest standing and best loved traditional Irish band who cover the cream of contemporary as well as traditional Irish songs as they feature an amazing violinist

#### THE HEALYS

The Healys are an Irish/Australian three piece band made up of brothers Nigel, Allan & Gavin Healy. They began playing together as a band in 1996 and have worked & gigged hard to become WA 's Premier Folk Rock Band. Individually they have all featured in separate original & cover bands, nationally & internationally. The band combines a diverse range of styles including traditional & popular Folk, Irish, rock, country, blues & contemporary music.

## ALL STARS ROLLING STONES TRIBUTE

At the heart of the All Star Rolling Stones Tribute are Tom Jennis as Mick Jagger, and Rocky Evangelisti as Keith Richards. Jennis perfectly captures the strutting, swaggering charisma of Jagger's stage presence, while Evangelisti faultlessly reproduces the attitude and performance of rock and roll's original guitar hero. With the rest of this five piece live band at full throttle, they blast out hit after Stones hit with full concert production.

## SPECIAL BREW

Perth's new-wave ska aficionados, Special Brew, capture the spirit of UK two-tone music. Their live shows never fail to get the crowds dancing, pumping out upbeat, catchy tunes and delivering a killer stage presence to boot.

Plus live Irish dancing and scottish bagpipes...
