

Evermore Concert Ticket & Album Bundle

The Concert Ticket & Album bundle price includes a ticket to Evermore and a digital copy of Evermore's fourth studio album 'Follow The Sun'.

Album Information

Evermore's fourth studio album, 'Follow The Sun' was self-recorded, produced, mixed by the band, and the results are their most accomplished effort to date – sitting somewhere between early U2 and Simple Minds expansiveness, bluesy late Beatle's jams and driving 70's folk, all connected by a mesh of hopeful, engaging lyrics.
