

The Jacksons Meet & Greet Session

This is an upsell only and does not include entry to the concert at the Sydney Entertainment Centre.

The Meet & Greet upsell offers a photo with the Jacksons, a signed official program, and a tour lanyard. Patrons must hold a valid concert ticket in addition to the Meet & Greet ticket in order to attend the Meet & Greet session, which will take place prior to the concert. There is a limit of 4 Meet & Greet tickets per patron.

All 4 Jackson brothers will be present at the Meet & Greet session. There will be an opportunity to greet the brothers and have a photo taken by the official photographer. Patrons will not be permitted to take their own cameras into the Meet & Greet session. Photos will be available for free on the Uaepresents.com.au website and Facebook fan page.

Meet & Greet patrons can collect their lanyard and official tour programme as they exit the Meet & Greet session.
