Homes for the Holidays is a signature fundraiser for the Rotary Centre for the Arts. Proceeds are dedicated to programming at the Centre.

The Rotary Centre for the Arts (RCA), located in the heart of Kelowna's cultural district, is a 44,000 square foot multipurpose cultural facility that showcases and promotes all forms of artistic expression. Not only are guests able to see artists and performers at work, but one can also view and purchase art, take a pottery class or acting lesson or have gelato in the bistro.

The RCA was built by the community, for the community.

The impact of the RCA is significant in Kelowna's Cultural District and throughout the city. We all can enjoy a range of opportunities, special events, and festivals as a result of the facility. Our tourism industry benefits considerably as we offer our visitors a reason to stay longer and visit in the shoulder season.

Kelowna has been gaining in popularity as a cultural destination. The RCA has indeed added an exciting new dimension to Kelowna's cultural assets and provides excellent economic, social and cultural returns on your investment.

The building includes a 326-seat theatre, a set-building workshop, eight artist studios used by individuals or groups, a painting-drawing room, dance studio, pottery studio, rehearsal hall, music room and multi-purpose meeting room. Also featured in the Rotary Centre for the Arts is the Alternator Gallery for Contemporary Art, The Centre Art Gallery, Staccatos Gelateria and Bistro and an Atrium with an open space courtyard for both public and private events and an outdoor stage.

For information on how you can support the Rotary Centre for the Arts contact Tracie Ward, Executive Director at (250) 717.5304 ext. 109.
