

COLDPLAY ANNOUNCE AUSTRALASIAN LEG OF 2016 STADIUM TOUR

THURSDAY MAY 19, 2016 - COLDPLAY have today announced Australian and New Zealand dates of their *A Head Full Of Dreams Tour*, with stadium shows confirmed for Melbourne, Sydney, Brisbane and Auckland.

This is the band's first world tour since the Mylo Xyloto Tour, which included Australian and NZ shows in November 2012. More than two million tickets have already been sold for the *A Head Full Of Dreams Tour*, which kicked off with a record-breaking stadium run in Latin America in March / April and which will see the band perform four sold out nights at London's Wembley Stadium in June.

Tickets will go on sale at 2pm Monday, May 30 for Melbourne, Sydney and Auckland shows. Brisbane show tickets will go on sale one hour later at 3pm Monday, May 30.

American Express Card Members will receive first access to tickets with a pre-sale starting midday Monday, May 23 for all shows except Brisbane, which starts one hour later at 1pm, same day. To purchase go to: amexinvites.com.au.

My Live Nation members can also be among the first to secure tickets during the pre-sale beginning Thursday May 26 at 2pm for Sydney and Auckland shows, and 3pm for Melbourne and Brisbane shows.

A Head Full Of Dreams (out now through Warner Music Australia) is Coldplay's seventh album, featuring singles 'Adventure Of A Lifetime', 'Hymn for the Weekend' and 'Up&Up'. Since its December 2015 release, the album has reached Number One on iTunes in more than 90 countries and sold more than 3.5 million copies. It has also cemented Coldplay's position as Spotify's most-streamed band in the world.

The album is the vibrant follow-up to 2014's fragile and lovelorn *Ghost Stories*, Coldplay's sixth consecutive worldwide chart topper. The band chose not to tour *Ghost Stories* and headed straight back into the studio to record *A Head Full Of Dreams*.

Says Coldplay's Chris Martin: "I think that not going on tour with *Ghost Stories* was one of the best decisions we ever made, because it gave us such pent-up energy in the studio and completely reignited everyone's desire to go around the world and play music. *A Head Full Of Dreams* was written as a record to be performed live. We can't wait to do that."
